Alfeo Box Set of 2

By Currey & Company

Description

The Alfeo Box Set of 2 includes large and small decorative boxes made of solid wood with surface treatments in herringbone patterns. These are painstaking artisanal decorative accessories because the pieces of wood are hand-applied. The color variations inherent in the natural wood will also mean that each box is unique. Furthering the artisanal feel is how the pattern extends all the way through to the outside rims.

Shown in natural wood
