Kendall Table

By Currey & Company

Description

The Kendall Accent Table has an octagonal shape carved from oak solids covered with facets of oak veneers that make it jewel-like. The surface has a dove gray finish that has been wire-brushed to accentuate the grain in the wood. The dark brown accent table sits on a plinth base made of metal in a polished brass finish to add a glimmering touch to the warmth of the gem-like occasional table.

Shown in polished brass / dove gray
