Kendall Credenza

By Currey and Company

Description

The Kendall Credenza has a geometrically striking profile created by the interplay of peaks and valleys on its door-fronts. It is made of oak solids and veneers with surfaces in a dove gray finish that have been wire-brushed to accentuate the grain in the wood. The faceted dark brown credenza is jewel-like, the metal pulls in a polished brass finish adding a glimmering touch to the warmth of the gem-like home-office credenza. The credenza features 3 doors and 3 adjustable shelves.
