## Anisa Etagere Shelf

By Currey and Company

### Description

The Anisa Etagere Shelf has a trick up its sleeve: because the frame that is covered in oak veneer is fitted with rattan cane panels, it is artfully attractive from all sides. The larger rattan sections are in a radio weave and the smaller ones in an open weave to mix it up and bring the etagere a dynamic textural quality. Three fixed shelves included.

Shown in caviar black / natural

### Specifications
