

BRAND Currey and Company

DESCRIPTION

Supporting the disc top of the Serpent Accent Table are curvy creatures that pull a balancing act as they clamp down on its thin surface. Made of cast aluminum in an antique brass finish, the gleaming gold occasional table will certainly be a conversation starter in any space, as it will command attention when the luminous surfaces glow when light touches them. Illustrating the artisanal aspects of cast aluminum, there are drifts of patina throughout the profile.

Shown in: Antique Brass
