Micha Table

By Currey & Company

Description

Serious about its ability to wow, the Micha Accent Table has lines pressed into its metal surfaces that bring it a dynamic texture and a sense of movement. Made of textured cast aluminum in an antique nickel finish, the base is handmade so the striations on the legs and base will vary slightly. The silver accent table holds the white stone top as brilliantly as it shines, the removable disc fitted with felt pads on the bottom.

Shown in antique nickel / white
