Paradiso Table

By Currey & Company

Description

With a body made of steel, the Paradiso Accent Table has a lyrical shape inspired by the Strelitzia reginae, more commonly known as the Bird of Paradise plant. The limb that arcs up, in a contemporary silver leaf finish, holds a blossom in a contemporary gold leaf finish. The two work in concert to balance the glass top. This silver and gold occasional table is an example of how nature-inspired design elements are driving the biophilic movement.
