Passageway Wall Sconce

By Currey & Company

Description

The Passageway Wall Sconce has so many layered details that exude texture, it is a design to study: the wall plate, central ring, and cup that holds the frosted glass globe are warm in a dorado gold finish; the rope-wrapped, pear-shaped element so cleverly dangles from the stem affixed to the wall plate; and the bottom finial unscrews to release one arm so that the glass globe can be removed to change the bulb. This rope wall sconce, designed by Clarence Mallari, will be a perfect choice for beachside condos and lakeside homes.

Shown in gold / natural / white

Specifications
