Nami Table Lamp

By Currey and Company

Description

Though its surface is swirling with a motif that was born in an ancient culture, the Nami Table Lamp is just as at home in the 21st century as it was eons ago. The pattern on the body of the blue and white porcelain lamp is a traditional wave pattern. Because the glaze was hand-applied, the evident brush strokes bring it an artisanal richness. The blue table lamp sits atop a metal base in a gold leaf finish and is topped with an off-white linen shade. 3-way switch on socket.
