## Paradiso Table Lamp By Currey and Company

### Description

Made of steel, the Paradiso Table Lamp has a lyrical shape inspired by the Strelitzia reginae, more commonly known as the Bird of Paradise plant. The limbs that arc up and away from a polished concrete base with crushed abalone shells sprinkled into the material are in a contemporary silver leaf finish. The blossoms that flow around the light bulbs are in a contemporary gold leaf finish. This silver and gold table lamp is an example of how nature-inspired design elements are driving the biophilic movement. On/off rocker switch on cord.
