Anisa Storage Bench

By Currey and Company

Description

The Anisa Storage Bench has a trick up its sleeve: because the frame in natural oak is fitted with rattan cane panels, it is artfully attractive from all sides. The larger rattan sections are in a radio weave and the smaller ones in an open weave to mix it up and bring the tan storage bench a dynamic textural quality. The cohesion of the textural natural materials and the parchment-colored seat places this firmly in a natural state style story.
