Paradiso Floor Lamp By Currey and Company

Description

Made of steel, the Paradiso Floor Lamp has a lyrical shape inspired by the Strelitzia reginae, more commonly known as the Bird of Paradise plant. The limbs that arc up and away from a matching metal base are in a contemporary silver leaf finish, while the blossoms that flow around the light bulbs are in a contemporary gold leaf finish. This silver and gold floor lamp is an example of how nature-inspired design elements are driving the biophilic movement. On/off foot switch on cord.
