Maldives Chandelier

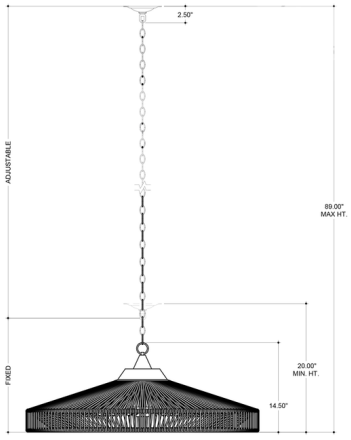

By Currey & Company

Description

The Maldives Chandelier is made of wrought iron in a mix of satin black and khaki finishes to make this fixture a shoe-in for a black and natural style approach. The rope-like cage that surrounds it, made of Kraft paper twine, is woven to the frame in two layers, the one closest to the light source more concentrated to diffuse the light. The rope chandelier is fitted with five bulbs to make it a luminous fixture.
