Ancroft Chandelier By Currey and Company

Description

Scallops of Kraft paper twine fold around the wrought iron frame of the Ancroft Chandelier to form a delicate flowing silhouette. The string has a white finish that works in concert with the contemporary silver leaf on the metal to keep the white chandelier light and airy. This is enhanced by the fact that it is hung from aircraft cable, which is adjustable. The integrated LED light flows through a diffuser fitted to the bottom of the shade.

Specifications
