Oxenwood Chandelier

By Currey & Company

Description

The Oxenwood Chandelier exhibits masculine attributes that will make it a powerful statement piece in a room, as well as a contrasting one. The black shantung shade that wraps artfully around the conjoined fluted metal shapes has a silver lining. Juxtaposed with the brass finish on the wrought-iron, the illumination reflects from both warm and cool surfaces to make the gold and black chandelier gleam.
