Yuriko Convertible Chandelier

By Currey and Company

Description

As if it has sprouted three pairs of lily petals that arc delicately away from each other, the Yuriko Chandelier is a crisp white creation until the interiors of those petals are glimpsed, as they are finished in a contemporary gold leaf that contrasts the gesso white beautifully. It continues in the pare-down quality of the stems from which the shades extend, which grow thinner as they move toward the petals; the circular details on these, which create an elemental knottiness like that of bamboo; and the elegant shape of the small cup from which they branch out. Chandelier can be converted to a semi-flush ceiling light.
