Palatino Multi Light Pendant

By Currey & Company

Description

The shades of the Palatino Multi Light Pendant give the impression they are their own complete universes replete with their own Milky Ways. Made of two layers of glass the interior white and the exterior blue the shades shimmer with Mica dust that is tossed onto the surface of the molten glass, which is twisted to achieve the swirls that mimic the wonders of the night sky. The canopies of the glass pendants in this collection are luminous in a painted silver finish. Note: Requires junction box for fixtures weighing over 50 pounds.
