Iota Mini Pendant

By Currey & Company

Description

The Iota 1-Light Multi-Drop Pendant has a shade that exudes the beauty of a flower bud, though it is not made of plant matter as its lovely profile would suggest; it is fashioned from brass in a warm antique brass finish. A particular design detail of note is the delicacy and positioning of the petals. The canopies of the brass pendants in this collection are luminous in a painted silver finish. This fixture is among Currey & Company's introduction of cluster lights, which includes from 1-light up to 36-light configurations.
