Iota Multi Light Pendant By Currey & Company

Description

The Iota Multi Light Pendant has shades that exude the beauty of flower buds, though they are not made of plant matter as their lovely profiles would suggest; they are fashioned from brass in a warm antique brass finish. A particular design detail of note is the delicacy and positioning of the petals. The canopies of the brass pendants in this collection are luminous in a painted silver finish. Note: Requires junction box for fixtures weighing over 50 pounds.
