Medusa Mini Pendant

By Currey & Company

Description

The Medusa Mini Pendant effervesces with echoes of the deep sea. Beads cascading from its dimpled shade in a nickel finish mimic the profile of a jellyfish, one of nature's most mysterious creatures. The beads are threaded by hand and the cap is hand-punched, a mix of tasks that are painstakingly involved. The canopies of the beaded pendants in this collection are luminous in a painted silver finish.

Shown in nickel / clear
