Alsop Multi Light Pendant

By Currey & Company

Description

The shades of the Alsop Multi light Pendant was inspired by tortoise shell bracelets that were popular during the era when Hollywood glamour was at its height. Made of composite with faux-horn surfaces, the shades on the brown pendant will be warm elements in a space. A refined aspect of the design is how the ribs arc outward and how they are staggered for greater texture than their surfaces bring. The canopy of the faux horn pendants in this collection are luminous in a painted silver finish. Note:/B>Requires junction box for fixtures weighing over 50 pounds.
