Pathos Multi Light Linear Pendant

By Currey & Company

Description

The Pathos Multi Light Linear Pendant dangles shades that are true works of art. The orbs have been doused in reactive glazes that make their special qualities known in the antique gold on the top and matte charcoal on the bottom, which will look different when illumination flows through them. The beads on the top were melted into the molten glass just before it cooled to bring even more effervescence the design. The canopies of this collection of multi-drops are in an antique silver finish. Note:Requires junction box for fixtures weighing over 50 pounds.

Shown in silver / antique gold/ antique silver
