## Medusa Multi Light Linear Pendant By Currey and Company

## Description

The Medusa Multi Light Linear Pendant effervesces with echoes of the deep sea. Beads cascading from its dimpled shades in a nickel finish mimic the profile of a jellyfish, one of nature's most mysterious creatures. The beads are threaded by hand and the cap is handpunched, a mix of tasks that are painstakingly involved. The canopies of the beaded pendants in this collection are luminous in a painted silver finish. Note:Requires junction box for fixtures weighing over 50 pounds.
