Alsop Multi Light Linear Pendant By Currey and Company

Description

The shades of the Alsop Multi Light Linear
Pendant was inspired by tortoise shell bracelets
that were popular during the era when
Hollywood glamour was at its height. Made of
composite with faux-horn surfaces, the shades on
the brown pendant will be warm elements in a
space. A refined aspect of the design is how the
ribs arc outward and how they are staggered for
greater texture than their surfaces bring. The
canopy of the faux horn pendants in this
collection are luminous in a painted silver finish.
Note:/B>Requires junction box for fixtures
weighing over 50 pounds.

Shown in brown / natural
