DESCRIPTION

Snoopy and friends have arrived to help light up your space. Partnering with the beloved Peanuts, Koncept brings you this special edition Gravy Wall Sconce featuring illustrations from Charles Schulz's library of comics. This fun Koncept X Peanuts collab adds a sense of playfulness and nostalgia to the elegant sconce. The magnetic finish plates are interchangeable, letting you easily switch characters. The front disc serves as the LED light source and can pivot up and down and rotate 360 degrees, directing the light outward onto a work surface or towards the wall for indirect ambient lighting. A touch switch for on/off and continuous dimming is on the back side of the front disc.
