Coup de Foudre Linear Chandelier

By Patrizia Garganti

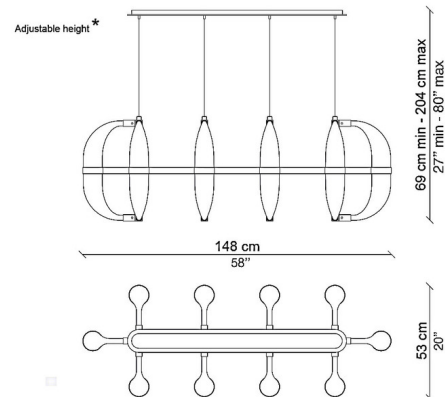

Description

The Coup de Foudre Linear Chandelier pays homage to the time-tested combination of glass and metal with an elegant design. The metal frame provides rigidity and structure, which is contrasted by the sweeping curves of its textured glass shades. Strong but delicate, Coup de Foudre will make a sophisticated addition to any space. Bluetooth dimmer included. Note: Due to the weight of the fixture, additional ceiling support is required.
