E4 Pro 4IN Square Flanged Wall Wash Trim By Visual Comfort Architectural

Description

The E4 Pro Series 4 Inch Square Flanged Wall Wash Trim is designed for use with the E4 Pro 4IN Round Flanged Wall Wash Housing by Visual Comfort Architectural to evenly illuminate walls from top to bottom with no hot spots or scalloping. With 361 degree rotation and 45 degree collar rotation, the trim can be easily aimed precisely where the light is needed. The trim is crafted from die cast aluminum for durable construction with no sagging or seams. Available in 2700K, 3000K, or 3500K static white, 3000K to 1800K warm dim, or 2700K to 5000K tunable white. For use with drywall ceilings up to 1 inch thick.Note: A complete fixture requires a trim and housing, sold separately.
