E4 Pro 4IN SQ ADJ Flangeless Wood Ceiling Wall Wash Housing

By Visual Comfort Architectural

Description

The E4 Pro 4IN Square Flangeless Wood Ceiling Wall Wash Housing offers best-in-class performance by providing even illumination from the top to the bottom of a wall without scalloping or hot spots. The housing is available in a variety of wattages and includes a universal driver dimmable with standard reverse-phase, forward-phase, TRIAC, and 0-10V dimmers to set the perfect ambiance. Note: A complete fixture requires a housing and trim, sold separately. Intended for new construction use in wood ceilings with flangeless trims. For flanged trims in a wood ceiling, use the standard E4 Pro Series Square Flanged Wall Wash Housing.
