## Entra CL 2IN Round Flangeless Trim By Visual Comfort Architectural

## Description

The Entra CL 2 Inch Round Flangeless Trim offers a cost-effective small aperture recessed lighting solution with architectural-grade aesthetics and quality for residential, multi-family and hospitality applications. Three trim types are available: adjustable (35 degree tilt, 360 degree rotation), fixed downlight, and wall wash. The adjustable and fixed downlights include a 40 degree beam angle optic, and optional optics in other beam angles are sold separately. A light module is included, and four color temperature options are available: 2700K, 3000K, 3500K, and Warm Dim 3000K - 1800K. Made of die cast aluminum, the trim has no seams and does not warp or sag. A mud plate is included. The adjustable option is damp-rated, and the fixed downlight and wall wash options are wet-rated. Note: A complete fixture requires this trim and a housing, sold separately.
