Verse 3IN Round Flanged Trim

By Visual Comfort Architectural

Description

The Verse 3 Inch Round Flanged Fixed Downlight or Wall Wash Trim is compatible with a Verse 3 inch new construction or remodel housing for non-sloped ceilings. It is cost-effective yet high in quality and aesthetically pleasing, suitable for a range of applications. Made of die cast aluminum, it has no seams and does not warp or sag. Its white finish is field-paintable for matching the ceiling. The diffused lens on the downlight trim provides an 85 degree beam spread. The Wall Wash trim features an asymmetric optic. Note: A complete fixture requires this trim and a housing, sold separately. The light module is included with the housing.
