# MR01 Initial Outdoor Lounge Chair

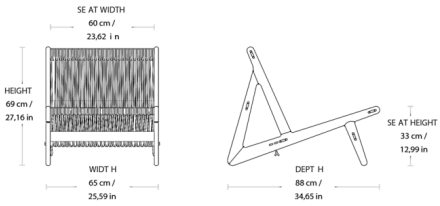

By Gubi

## Description

The MR01 Initial Outdoor Lounge Chair features an open triangular frame with a weather-resistant polyester rope seat and back, making it light both in weight and expression. The chair's frame is crafted from FSC-certified iroko wood, which is both durable and stylish with a rich wood grain texture. The rope seat and back is crafted from waterproof and UV-resistant polyester with an anti-deformation core to prevent stretching over time. The open design, which has been constructed with no screws, allows for airflow during the warmer months and will remain cozy throughout the winter with the addition of a blanket or throw. The piece's simplicity and durability make it ideally suited for a variety of settings.

Shown in iroko / natural
