Satellite Outdoor Floor Lamp

By Gubi

Description

Based on Mathieu Mategot's original designs from 1953, the Satellite Outdoor Floor Lamp offers a playful, modern design that will add a stylish accent to any outdoor space. The lamp's oblong shade is crafted from perforated stainless steel with a pleated texture more often seen in fabric or paper lamps. A triangular aluminum hat tops the shade to help direct light. IP65 rated for outdoor use. On/off switch located on stem. IP65 rated for wet locations.
