Neo Smart Ceiling Fan with Light

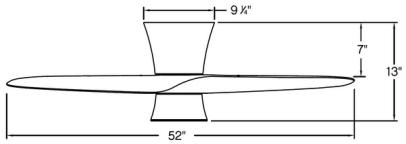

By Hinkley Lighting

Description

The Neo Smart Ceiling Fan with Light, featuring a sleek wrapped blade design complemented by a Heritage Brass accent, offers unique modern style for your space. This versatile fan is suitable for indoor and covered outdoor settings, and delivers energy efficiency with its integrated LED light and DC motor. A wireless HIRO control is included and can operate through WiFi and RF technology. It enables motor on/off, 6 speeds, forward and reverse, and light on/off with warm dimming (dims from 3000K to warmer). The control can be wall-mounted or hand-held. A face plate and cradles are included, and the remote fits in standard decorative style face plates as well. A manual on/off switch is also included. Another convenient control option is to use the Hinkley app on your smartphone. In addition to the basic functions, the app offers timers, breeze mode and other advanced features. It also enables easy hands-free voice control by linking your fan with smart home tech including Google, Amazon Alexa, and Siri. With its smart design, the Draftsman fits seamlessly into your modern lifestyle. Optional accessories are sold separately.
