Appalachian Gooseneck Wall Sconce By Innovations Lighting

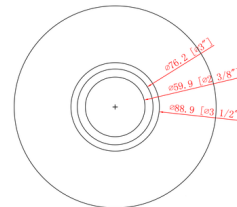

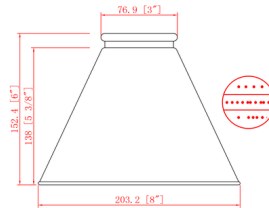

Description

The Appalachian Gooseneck Wall Sconce features a conical metal shade supported by an elegantly curved arm extending from a curved backplate. Both the arm and shade can be angled up or down with adjustable locking hinges to aim the light precisely where it is needed. The shade's simple form gives the fixture a contemporary look, while the gooseneck arm and small exposed screws lend just a touch of rustic charm.

Shown in brushed satin nickel
