Balston Urban Appalachian Wall Sconce

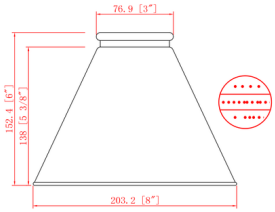

By Innovations Lighting

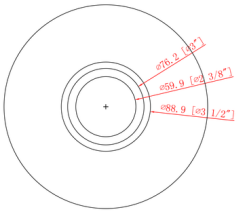

Description

The Balston Urban Appalachian Wall Sconce features a conical metal shade suspended from a bracket arm and a rectangular canopy with rounded corners. The shade's sleek simple form is perfectly suited to a modern or transitional urban interior, while small exposed screws and a decorative bracket arm lend just a touch of rustic charm. An adjustable locking hinge allows the shade to be pointed upwards for indirect ambiance or downwards for direct, task lighting.
