Franklin Restoration Appalachian Wall Sconce

By Innovations Lighting

Description

The Franklin Restoration Appalachian Wall Sconce features a conical metal shade suspended from a bracket arm and round canopy. The shade's simple form gives the fixture a contemporary look, while small exposed screws lend just a touch of rustic charm. An adjustable locking hinge allows the shade to be pointed upwards for indirect ambiance or downwards for direct, task lighting. Available with or without on/off turn switch on socket. Note: The Polished Nickel and Polished Chrome finishes are only available without on/off switch.
