## Baguette & Central Glass Dining Table

By Magis

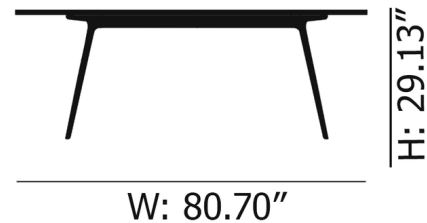

### Description

The Baguette & Central Glass Dining Table is a rectangular table in two parts. A clear glass tabletop rests on a highly resistant yet delicate aluminum base. The designer focused their attention on the structure of the project to use the less aluminum material as possible. The effect is visual as it brings an additional graphical feature to the table: the heavy top is only supported by four chopstick-looking feet.

Shown in black / clear

### Specifications
