Baguette & Central Indoor/ Outdoor Dining Table By Magis

Description

The Baguette & Central Indoor/ Outdoor Dining Table is a rectangular table in two parts. An Italian stone tabletop rests on a highly resistant yet delicate aluminum base. We focused our attention on the structure of the project to use the less aluminum material as possible. The effect is visual as it brings an additional graphical feature to the table: the heavy top is only supported by four chopstick-looking feet. Suitable for indoor/outdoor.
