Nimrod Low Chair By Magis

Description

The development of the Nimrod Low Chair was the fruit of many years of research that eventually led to the definitive product. Magis' quest to achieve the level of technical quality came from rotational molding, which provides a aesthetic definition of the chair. The chair features a polyethylene shell with cushions covered in a Kvadrat Divina fabric.

Shown in white / orange

D: 33.86"

H. 31 60"
