Malevich Vase

By Noom Home

Description

The Malevich Vase was inspired by the works of early twentieth century artist Kazimir Malevich. Malevich was an influential artist in Suprematism, an art movement that explored the beauty of simple, abstract forms. This sensibility is reflected in the vase's cylindrical form, which is bisected by a circular disc. Whether used to display a floral arrangement or simply placed on a side table, Malevich will elevate any interior with its sculptural presence.Note: Limited Editions include:Ocean Blue/Oxidized CopperOcean Green/Oxidized CopperPigeon Blue/Burned SteelStainless Steel/Rainbow Zinc
