# EL Vertical Pendant

By Noom Home

CE

## Description

The EL Vertical Pendant possesses a geometric design inspired by the works of Suprematist artists El Lissitzky and Kazimir Malevich who explored the beauty of simple, abstract shapes. The lamp shades are constructed of intersecting round metal plates and attached to a sleek stem for a sculptural aesthetic that will add a modernist touch to any space. Includes canopy in matching finish and 118.1 inch field cuttable cable.

Shown in stainless steel
