Midori Pendant

By Currey and Company

Description

The Midori Pendant is an artisanal piece that takes great skill to create. Two layers of glass are fused to create this white pendant with green accents. First the green glass is blown and then the white glass is fused on top. Once the overlay glass is in place, the swirling lines are cut through just enough to reveal the green color beneath. Ian Thornton designed this tear-drop pendant with its lovely personality.

Shown in white

Specifications

COLOR N/A
BODY FINISH White
