Settat Linear Chandelier

By Currey and Company

Description

The Settat Linear Chandelier has recycled glass discs dangling from stacked oval ribs in a silver leaf finish. This design is light and airy thanks to the gleaming finish, the minimal chains from which it hangs, and the reflectivity of the glass. The silver chandelier will also introduce a subtle texture to a space given the whorls inherent in the recycled material, which gleams beautifully when the lights are switched on.
