Telos Pendant

By Currey and Company

Description

The Telos Pendant is made of wicker that has been bleached for a lighter feel. The beige pendant is perfect for spaces where an abundance of uplight is needed. The wicker pendant with its bowl-shaped profile is scalloped, though this is not obvious when viewed from the side. Given the nature of the woven natural material, pinpoints of light will waft through in spots.

Shown in vanilla / bleach

Specifications
