Plunge Pendant

By Currey & Company

Description

The thick wood slats that make up the shade of the Plunge Pendant brings the brown pendant a mid-century modern vibe with a hint of brutalist style. Fastened to a downturned metal cup in a brass finish, the slanting wood is finished in toffee, the combination creating great warmth. The varying placement of the angled wood pieces is a design detail of note, as is the fact that this fixture can be hung close to the ceiling.
