Ellipse Chandelier

By hollis+morris

Description

The curvilinear shape of the Ellipse Chandelier is inspired by the moon's elliptical orbit around Earth. A trio of frosted acrylic discs illuminated by integrated LEDs evoke the image of the moon in its gibbous phase as it enters and exits the full moon. Ellipse's interesting arrangement of simple shapes creates an attention-grabbing fixture with a sculptural prescence. Includes canopy-mounted 24V DC phase dimmable driver and circular canopy in Black (for Black finish) or White (for White, Brushed Brass, Brushed Copper, and Brushed Stainless Steel finishes).

Specifications

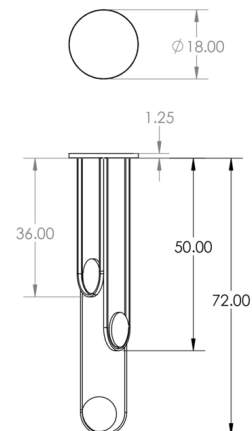

COLOR Frosted
BODY FINISH Black
WATTAGE 26.4W
DIMMER Low Voltage Electronic
DIMENSIONS 18"W x 72"H
BULB NOT INCLUDED LED/26.4W/24V LED

Technical Information

LAMP COLOR 3000K
LUMENS/WATT 17.05
LUMINOUS FLUX 450 lumens

Shown in black / frosted
