Ellipse Chandelier

By hollis+morris

Description

The curvilinear shape of the Ellipse Chandelier is inspired by the moon's elliptical orbit around Earth. A trio of frosted acrylic discs illuminated by integrated LEDs evoke the image of the moon in its gibbous phase as it enters and exits the full moon. Ellipse's interesting arrangement of simple shapes creates an attention-grabbing fixture with a sculptural presence. Includes canopy-mounted 24V DC phase dimmable driver and circular canopy in Black (for Black finish) or White (for White, Brushed Brass, Brushed Copper, and Brushed Stainless Steel finishes).

Specifications

COLOR	Frosted
BODY FINISH	Black
WATTAGE	26.4W
