T.O Pendant

By Pablo

Description

The cylindrical shape of the T.O Pendant symbolizes the role light plays as an essential pillar of our everyday lives. The pendant's sleek, wand-like form houses an integrated LED light source behind a PMMA diffuser to provide soft warm light. The pendant is suspended by a pair of nylon straps and can be rotated 360 degrees to direct light downwards for task lighting or upward for ambient illumination. Driver located within canopy.Note: The lamp can be turned on/ off via wall switch or with the button located on the pendant, but its dimming function is only controllable via the dimmer button located on the body of the pendant.

Shown in black / light grey
