Lisa Floor Lamp

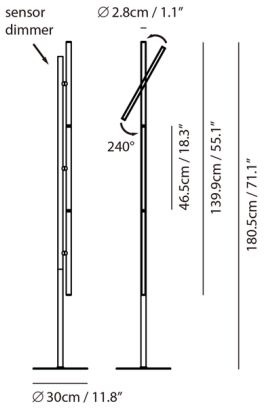

By Seed Design

Description

The Lisa Floor Lamp delivers a perfect flow of light through its highly functional, precisely sculptural form. Each LED bar emits high-quality light without undesirable glare and rotates 240 degrees for customizing the look of the lamp and light direction. With its high-shine finish and minimal form, the Lisa offers an element of modern elegance for any space. An optic sensor dimmer at the top turns the light on/off and dims it.
