## Haim Up and Down Wall Light By SONNEMAN - A Way of Light

## Description

The Haim Up and Down Wall Light provides directed, controlled and balanced LED light scaled for residential, hospitality and commercial settings. Its simple, sleek form is an enduring modern presence in your space. This fixture can be installed in any orientation, and has 180 degree arm rotation and 120 degree head rotation for aiming the light where needed. 4-step touch dimmer on backplate. Note: This fixture does not mount to a standard US junction box, and the included driver must be installed in a remote location.
